# ALL-IN-ONE
# DISC GOLF SET

## GAME INSTRUCTIONS

# DISC

1. Each player needs one disc.
2. First player picks a putting spot.
3. Every player putts from the selected spot:
   - If the putt is made, the player avoids getting a letter.
   - If the putt is missed, the player gets a letter from the word DISC.
4. When the first round is over, another player picks the putting spot and a new round begins.
5. When a player gets all the letters from the word DISC, he is eliminated from the game.
6. The last remaining player wins!

# LADDER

1. Each player needs two discs.
2. Mark 5 to 10 putting spots in different ranges from the basket.
3. Start from the putting spot closest to the basket.
4. Each player putts twice:
   - Two made putts - move to the next putting spot further away from the basket.
   - One made putt - remain in the same putting spot.
   - No made putts - move one putting spot closer to the basket.
5. Make both putts in from the furthest putting spot - you win the game!

# 21

1. Each player needs one disc.
2. First player picks a putting spot.
3. Every player putts from the selected spot:
   - Every successful putt is worth 3 points.
   - Every chain hit is worth 2 points.
   - Every top or lower band hit on the basket is worth 1 point.
   - Every putt that goes lower than the lower band of the basket is a -1 point.
4. When the first round is over, another player picks the putting spot and a new round begins.
5. The first person to gather 21 points wins the game!

# DISC GOLF

1. Each player needs one disc.
2. First player picks a location for the basket and a tee spot.
3. Each player throws from the tee spot and tries to make it in the basket.
   - Next throw is taken from where the last throw landed.
   - Each player counts how many throws it takes from the tee to the basket.
4. When the round is over, another player picks a new location for the basket and a tee spot.
   - Count the total number of your throws after the last round is over.
5. The player with the least amount of throws wins the game!
